22-25 January 2021
Tehran, Iran

About Exhibition

The 25th Iran International Oil, Gas, Refining & petrochemical Exhibition will be held 22-25 January 2021 in Tehran International Permanent Fairground. Iran International Oil, Gas and Petrochemical Exhibition displays a wide range of technical and industrial abilities of the Islamic Republic of Iran and other countries worldwide in the area of Oil, Gas and Petrochemical. It is the most important oil and gas exhibitions in the Middle East and also among the most significant oil and gas events in the world in terms of the number of participants and its diversity. The exhibition provides a platform for local and international companies to take advantage of major opportunities in the industry as well as to learn about the developments in the local and global markets. It is an opportunity for getting information on products and suppliers in a concentrated period of time. The exhibition will be organized by National Iranian Oil Company (NIOC) and supported by Ministry of Petroleum.
